Dear Parents/Guardians,

Please do not feel under any pressure to get through all of the above. These are just suggestions to help you add some structure to your Childs day. Try to do some Irish, English, Maths and one other subject every day. If you have any questions regarding the above please email me on bertiegahanschool@gmail.com. Please use Seesaw to show me any work that the children would like me to see. Most importantly stay safe and I hope to see you all soon.

Le meas agus buíochas,

Bertie Gahan
