

11th May 2020

Hello again!

I hope everyone has been enjoying the lovely weather we've had over the weekend. Thank you to all of you who had interacted on Seesaw last week. It has been great to see what work and activities you've been up to.

Again, I have laid out work for this week only (Monday-Friday). I also have included some optional Seesaw activities and encourage, where possible, for you to send me some of your work. English in Practice has been scheduled to upload to your page at 9am each morning. Mental maths answers will also upload at 11am.

I have set work out on a daily basis but obviously if a certain day doesn't suit for whatever reason you can catch up the following day. Parents-please remember that I can be contacted on msbridmcgrath@gmail.com if I can help you in any way.

Thank you,
Brid

Monday

Spellings

- Spellbound Week 30: 4th and 5th Class; Commonly Misspelled Words *Activities A & B*
- Fuaimeanna & Focail Week 30: 4th class Ar An Trá
5th class Spórt
Both classes Activities A & B

English
Grammar

- English in Practice Unit 12 Monday (uploaded each day to Seesaw).
- Parents-Please feed back to me if the upload quality is not up to scratch on these. It seems to be clear on phone/tablets but laptop quality might not be sufficient.

English Reading

BEFORE READING

Look at the title and pictures and fill in a KWL Chart (first 2 sections). You can do this in your copy or on the template on Seesaw. The third section can be filled in after you read the text.

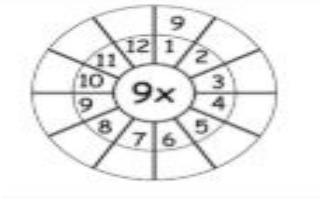

Non-fiction

4th Class: The World of Primates p 192

5th Class: Strange Flying Machines p214

SESE	<ul style="list-style-type: none"> ● Mental Maths Week 31 Tuesday ● Use a deck of cards to practice your multiplication tables. Shuffle the deck, turn over the top two cards. Multiply them by each other. Place them to one side and continue until the deck is gone. You might like to time yourself and see how quickly you can get through the deck. There's a 5 second time penalty for each wrong answer! (Ace=1 and picture cards=10 Either remove the Jokers OR make them =100) <p>If you don't have a deck of cards at home, I used a free online card website such as random.org and asked for 2 cards to be drawn at a time.</p> <ul style="list-style-type: none"> ● Read SESE 4th class Geog & Science p93-97. Energy. This is available on fallononline.ie and I'll also upload the relevant pages to Seesaw for access.
