Here is the schedule for the coming week. https://www.ippn.ie/images/stories/2010/FrontPage/WeekOne_Schedule.jpg</p> <p>An Teilifis: Tarraing pictiúr den clár is fearr leat agus an clár is fuath leat. (Draw a picture of the TV show you love and of the show you hate)</p>

	Clár áma (Timetable)- Create your own TV schedule Pick 5 of your spellings and put them into sentences.
Week 2	Léigh sa Bhaile Lch 96-98. As with English feel free to alternate between this and following activities. Éadaí: Design a new school uniform and a new football kit, be sure to label your designs with the correct Irish words. Use www.focloir.ie to look up translations if needed. Create a list of all the items of clothes you know in Irish. Draw the item beside each word. Pick 7 words from this list and write sentences

Maths:

Week 1	Mental Maths Week 27																														
	<p>3D Shapes: List all the 3D shapes you can think of and beside each one list somewhere you would find it, eg sphere- football, Earth</p> <p>Complete the following chart:</p> <p><u>30.11.16</u> LO: I can identify 3D shapes and their properties (with my partner).</p> <table border="1"> <thead> <tr> <th></th> <th>Name of shape</th> <th>Number of faces</th> <th>Number of vertices (corners)</th> <th>Number of edges</th> </tr> </thead> <tbody> <tr> <td></td> <td></td> <td></td> <td></td> <td></td> </tr> <tr> <td></td> <td></td> <td></td> <td></td> <td></td> </tr> <tr> <td></td> <td></td> <td></td> <td></td> <td></td> </tr> <tr> <td></td> <td>Triangular _____</td> <td></td> <td></td> <td></td> </tr> <tr> <td></td> <td>Square-based _____</td> <td></td> <td></td> <td></td> </tr> </tbody> </table> <p>Add any other 3d shapes you can think off and complete</p> <p>Using blu-tac and matches recreate as many 3D shapes as possible</p>		Name of shape	Number of faces	Number of vertices (corners)	Number of edges																	Triangular _____					Square-based _____			
	Name of shape	Number of faces	Number of vertices (corners)	Number of edges																											
																															
																															
																															
	Triangular _____																														
	Square-based _____																														
Week 2	Mental Maths Week 28																														

Weight

Have a look around the kitchen and find the weight of at least 10 items. Arrange these weights from lightest to heaviest.

Convert the above weights into fractions and decimals.

$$1,000\text{g} = 1\text{kg} \quad 750\text{g} = 750/1000 = 3/4\text{kg} = 0.750\text{kg}$$

$$125\text{g} = 125/1000 = 5/40\text{kg} = 1/8\text{kg} = 0.125\text{kg}$$

Using the Guinness World Record website/book, find out the following information:

	Your Estimate	Actual answer
Heaviest Pizza		
Heaviest Pumpkin		
Heaviest weight lifted by man		
Heaviest Rabbit		
Heaviest Easter Egg		
Heaviest Fish		

What is the most unusual record you can find:

Other Activities

Revise multiplication tables

Strategy Game:

FOUR STAR
www.mathsphere.co.uk

Rules:

This is a game for two people.
Each player has four counters.
The aim of the game is to get the four counters in a straight line.
The player going first places a counter on one of the circles.
The second player then places one of his/her counters on a circle.
This continues until all the counters have been placed.

If neither player has got 4 counters in a straight line then the first player slides a counter along a line to a circle that is not already covered.
The other player then slides a counter to an adjacent circle.
Counters can only move along one line into an empty space.
They can not jump over counters. If a player can not move a counter s/he misses a go.

<p><u>SESE: Geography</u></p>	<p>Revise the counties of Ireland, test yourselves, give yourself 5mins and see how many of the counties you can list.</p> <p>The following sites have tests on the counties that you can do online if you have access to the internet.</p> <p>https://online.seterra.com/en/vgp/3150</p> <p>https://www.sporcle.com/games/g/irelandcounties</p>
<p><u>SESE: Science:</u></p>	<p>Design challenges:</p> <p>Make a paper airplane that can fly at least 2metres</p> <p>Build a tower as tall as yourself. Use lego, books, cushions etc</p>
<p><u>SESE: History</u></p>	<p>Research World War 2</p> <p>Below are 2 examples of Propaganda posters used during the war to encourage families to grow their own crop and not waste anything.</p> <p>Design your own poster with the same idea behind it.</p>
