

Hi folks,

This week we will be starting to use Seesaw, it was great to see so many of you log on and say hello over the past few days. Over the coming weeks hopefully we will all become experts at using it and sharing our hard work from home. Below I've outlined your work for this week. With the Bank Holiday today its a nice short week!! As always try and complete the core subjects Irish, English & Maths everyday but don't worry if you miss out on something anyway. You can upload a selection of the work completed throughout the week. I will also upload activities on Seesaw during the week but don't feel under any pressure to complete all. I have changed the settings on Seesaw so that myself and Ms Whelan are the only ones who will see your work. I can be contacted on principal.courtnacuddyns@gmail.com if your parents have any queries.

Continue to keep safe and look forward to seeing your work on Seesaw during the week.
