Project

I've decided to let you choose your own topic for your project. You can choose a person, place, event, a sport pretty much whatever you want. This project is to be completed over the next 2 weeks to be brought in on the Monday we get back into class. How you display the work is also up to you, you can do a poster, display, or perhaps now that you are the senior class you could use Powerpoint to present your work.

If you need any help with the project or need ideas of topics to cover in a project just drop me a message on Seesaw.

Additional Activities:

You can access a variety of different websites that will be useful for additional challenges using the Padlet link below.
