Maths problem of the day:

Monday: On St. Patrick's Day, Seán ate 15 sweets. Later that day he ate 17 more sweets. How many did he eat altogether?

Tuesday: 14 birds were sitting in a tree. 21 more birds flew up to the tree. How many birds were there altogether in the tree?

Wednesday: 29 blackbirds were sitting in a tree. Some more flew onto the tree. Then there were 42 blackbirds in the tree. How many more flew up to the tree?

Thursday: Beth has 74 crayons. She gives 25 of them away to Ciara. How many crayons does Beth have left?

Friday: Ciara's mom baked 41 cookies. Paul's dad baked 38 cookies. They both brought them to school for a party. How many cookies did they have altogether?

3rd Class:

3rd Class Maths: Adding litres

Monday:

- 2litres 340ml + 5litres 320ml = e.g. 2l 340ml + 5l 320ml
- 6litres 320ml + 4litres 830ml =

Wednesday:

- 3litres 470ml + 5litres 320ml =
- 5litres 645ml + 2litres 550ml =

Friday:

- 6litres 222ml + 2litres 240ml =
- 2litres 870ml + 3litres 510ml =

2nd & 3rd Class

English: Procedural Writing – How to.....?

Choose one of the following topics

Write instructions on how to.....

- your favourite game/sport –
- a dinner or treat that you like to make –

2nd & 3rd Class: 27th April 2020
ms.lehane23@gmail.com

Make a book – using one simple recipe or game per day – on Friday choose your favourite one and decorate it
Remember:

Imagine the person you are writing the instructions for does not know anything about the sport/game/recipe you are explaining. You will need to tell them everything that you have to do:

What you will need?

What instructions must you follow, step by step?

Take a look at this website for yummy cooking ideas you could make at home

<https://www.bbcgoodfood.com/recipes/collection/kids-cooking>

DEAR TIME: spend some quiet time each day reading (to yourself or another person – you could read a book for a little brother or sister)

Art:

Google Arts & Culture <https://artsandculture.google.com/explore>

Explore an Art Gallery – take a virtual tour – Choose a museum or gallery – write down the name of the one you pick – why did you choose that one

Pick a picture – who is the artist – Describe the picture in a few sentences – Interpret the picture and draw your own version

Or

Use a calendar or picture in your own house – why did you choose this picture - Describe the picture in a few sentences – Interpret the picture and draw your own version

Geography: Continue your project on Rainforests – try and find out all about them –
Some handy tips and questions to help you with your project:

- What is a rainforest?
- Where are rainforests found?
- What common features are found in rainforests?
- What is the equator?
- Name 4 countries found along the equator?
- What animals are found in rainforests?
- Tell us about the people of the rainforest
- Why are rainforests being destroyed
- Why is it important that rainforests are protected?

PE – Outside: Try ‘Keepie-Uppies’ – using a football, in the garden, see how many times you can kick the ball to keep it up in the air without it hitting the ground – use your hands if you are in trouble

Dance – choose your favourite song – see if you can keep dancing while it plays – are you getting tired

PE with Joe Wicks – 9am Monday to Friday on YouTube – give it a go

Inside: Log onto GoNoodle or Cosmic Kids Yoga and choose an activity
