- ✓ Geography- Do a mini project about **Australia**. You may decide to learn about the weather, animals, farming, places to visit, how they celebrate festivals. These are just ideas. Do as a booklet, a poster or a video telling me all you learned. Due **Friday the 29th of May**, I will also upload resources to Seesaw for the children to access.

- ✓ Sphe- Water Safety

Water Safety Ireland's **PAWS (Primary Aquatics Water Safety)** programme outlines the essential life-saving guidelines that every child needs to know. Learn skills that can save lives. With a wealth of tips and advice, and all sorts of interactive games and puzzles to

reinforce the lessons learned, PAWS delivers valuable lessons that are simple common sense. Every parent is more than qualified to guide their children through them. These lessons will guide you through Water Safety at home, on farms, in swimming pools, rivers, lakes and of course at the beach. I will upload all links to Seesaw.

Hi all,

Hope you are all well. I'm very impressed with the work submitted and I would encourage that your child continues to learn their spellings, tables, mental maths, read their Read at Home book, their new reader and the Irish passages I upload to Seesaw.

I have tasks scheduled daily for 9am, so they can be accessed from then. I look forward to seeing their work, if you have any problems send an email to gdelaneyfirstandsecond@gmail.com.

I will continue to add extra activities to my Seesaw account covering all areas of the curriculum, these worked great last week, once again there was a great response. Remember, there is no need to do all this work, this is a guide, pick and choose as it suits!

Keep up the great work everyone!

Ms. Delaney
