Project work

This week you will research about the 'Chinese New Year.' I will have useful learning content uploaded to Seesaw to help you all.

- Spend some time researching using DK Findout and World book online, these are excellent child friendly websites.
- You have until Friday to submit a small project about the 'Chinese New Year.'

Your project must have the following:

- ✓ Pictures
- ✓ Fun facts
- ✓ Information
- ✓ A short video or audio of you presenting your project.

You can create it using Seesaw, add a response and add drawings, facts, copy and paste pictures from the internet etc or else create it on paper at home and upload pictures of your project.

Hello everyone,

Hope you are all well. Thank you all for all the hard work, support and cooperation over the last few weeks. I wish you all a well-deserved midterm break. Enjoy and take care.

Kind regards,

Ms. Delaney
