I wish to inform you that in addition to this assigned work Ms McGrath will also be assigning work to individual children and, where suited, perhaps the class group on a whole. We are so very lucky to have Ms McGrath. Please feel free to upload Ms McGrath's work by following the same method as always.

ENGLISH

When doing activities in "Burger book" please ask your child to name the sound, name the letter, can they think of any words starting with the letter? Can they put that word into a sentence?

Reading: a pdf version of The Wrong Car has been loaded to Seesaw as the online links have now expired.

When reading, if there are tricky words that your child does not know, please give them the word and also revisit them the next day.

MATHS

The children understand that a high standard of tracing is expected, if their pencil mark comes off the line, draw their attention to it and ask "is this your best work?". This passes the responsibility to the child and will encourage them to do better on the next number.

RELIGION

This is my home - reference Seesaw

Morning Prayer

Father in heaven you love me, you're with me night and day, I want to love you always in all I do and say. I'll try to please you Father, bless me through the day. Amen

Night Prayer

God Our Father, I've come to say, thank you for your love today. Thank you for my family and all the friends you give to me. Guard me in the dark of night and in the morning send your light. Amen

SESE

Using the template on Seesaw as an example keep a daily record of the weather Monday to Friday.

P.E.

On Tuesday "Spell your name", activity sheet on Seesaw. On Friday, use the same activity with the target word "January". Some families have mentioned that they would love if PE was every day. If you would like, feel free to pick a Winter word and use it with the "Spell your name" sheet 😊
